Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2010-2011 educational progress for Grandview Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact principal, Ellen Demray, for assistance.

The AER is available for you to review electronically by visiting the following web site <http://moodle.oakland.k12.mi.us/clarenceville> or you may review a copy in Clarenceville School District's Central Office or Grandview Elementary's main office

For 2010-2011, Grandview made Adequate Yearly Progress (AYP) in English language arts and mathematics. While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort.

State law requires that we also report the following information.

- Students are assigned to Grandview based on their geographic location in the district. Schools of Choice students also attend Grandview and are assigned by the Superintendent.
- We are now entering the third year of our school improvement plan and have goals established in the academic areas of reading, writing and math.
- To access a copy of the Clarenceville core curriculum, contact Director of Curriculum, Ms. Wendy Kellehan.
- We are proud to report that we discuss student achievement with 100% of our parents during the fall conference period.

I am proud of the efforts that the Grandview staff and students have put forth to earn AYP. Achieving AYP is a strong indicator that the reforms we have implemented are working. The Grandview staff will continue to work hard at providing the very best education for our students. I know that with all of us working together, the community, parents, teachers and administrators, we will make certain that our students are prepared socially, emotionally and academically to be productive members of our changing world. Thank you for your continued support.

Sincerely,
Ellen M. Demray, Principal
